Indeed, from the void a voice spoke,
 No, you are not alone,
 I too, have felt this noise,
I too, have toiled from beyond the void,
and you, are not alone in the darkness,
 we are order amidst the dances,
 and stillness from within the noise,
 warmth within the toil,
 and so, yes, must we speak,
 from tales beyond this keep,
to seal what wounds may still bleed.
Yes, a voice from beyond then spoke,
 you are not alone,
 there is ME.
